

LEED Information- Screws

Grabber Construction products (screws) are classified as building materials. As such, fasteners are part of a system. The applicable LEED standards are:

Materials and Resources

Waste Disposal Methods

Per our MSDS for screws, Section VII, excess screws are recyclable and disposable in accordance with local, state or environmental ordinances.

Local /Regional Materials

Unless specified as “American Made”, Grabber Screws are not produced locally or regionally.

Recycled Content

Grabber Screw packaging cartons are made of 80% recycled paper and 20% new paper products. Plastic Buckets are re-useable and recyclable.
